Open Application Organic-Concept

Unique Tent Structures, Luxury/Eco Tented Camps

Organic-Concept, market leader in unique tent structures and developer of luxury, eco tented camps, consists of an international network of partners and distributors and is strongly committed to quality and service. Organic-Concept has its headquarters in Aartselaar and is one of the largest tent and tent installation companies in the Benelux. With a wide range of products and services, Organic-Concept takes care of the engineering, production and installation of organic tent structures/ luxury/eco tented camps and on-site assignments. This makes Organic-Concept, a reliable partner for both small and large projects in the event- and eco-tourism industry.

We are always looking for talent!

Take the lead and apply today to join the O-C family.

Come and work at our HQ's in Aartselaar and together let's stretch boundaries.

Send your motivation and resume to info@organic-concept.com
